WHO IS RESPONSIBLE FOR CREATING ORGANIZATIONAL CULTURE?

While everyone in an organization plays a role, **top leaders and managers are primarily responsible** for shaping and maintaining organizational culture.

They set the tone through their actions, decisions, and communication, and they are responsible for communicating and reinforcing the organization's values, mission, and vision.

MAYOR & COUNCIL

The Mayor and Council Members are responsible for **developing and communicating the organization's mission, vision, and values**, which serve as the foundation for the culture. They also need to ensure that their own behavior aligns with these values and that they model the behaviors they expect from others.

CITY ADMINISTRATOR AND DEPARTMENT HEADS

The City Administrator and Department Heads are **crucial in translating the vision and values into daily practice**. They are responsible for ensuring that their teams understand and adhere to the organization's culture, and they need to be active participants in shaping the culture within their own teams.

EMPLOYEES

While Elected Officials and City Administrator play a primary role, **all employees contribute to the culture** through their interactions and behaviors. They are responsible for upholding the organization's values, respecting their colleagues, and contributing to a positive work environment

CONGRATULATIONS TO JAMESLEE ON 40 YEARS WORKING FOR THE CITY!

PARK RESTROOMS ARE CLOSED FOR THE WINTER AND HAVE BEEN WINTERIZED.

OPEN ENROLLMENT FOR INSURANCE BENEFITS IS OPEN THROUGH FRIDAY, NOV. 10TH.

>>> ICE RINK / PICKLEBALL UPDATE

Well, our ice rink season was short lived. It was open for about a week before we had to close it for slushy ice. We were able to open our warming house for one weekend. I guess we will be well prepared for next year!

This means we are starting to prepare for the pickleball season. Due to complaints of the slippery surface and the paint chipping for the 2nd year in a row, we are seeking quotes from a company to professionally paint the courts and add some grit to the paint mixture for better traction.

>>> PARK UPDATE

Last year the Park Board approved the purchase of two sets of cornhole boards. They finally arrived this winter! Both sets will be placed at Trailhead Park - if they are used frequently then I believe the Park Board was interested in ordering more for other parks. They are made of concrete so will hopefully hold up to vandalism. We are working on a system to provide bean bags as well.
